**SHOP NOW** 

**Women clothing** are the toughest thing to buy in short time duration. It is next to impossible to buy a saree or suit in half an hour from any shop. I am not giving any negative comment to female clothing. Being a girl, how can I?

Basically, women's clothing is vast and of different styles. When we go shopping any cloth only taking care of fabric or only color, design, is not possible. You have to take care of everything. Specially while buying traditional wear. Colour, design, pattern, trend, occasion everything matters while shopping. Along with your body shape, size, even complexion is also decisive.

For satisfactory shopping you need one complete day. Go to different shops and buy dresses. It is not possible to see every piece of the shop. As you are not alone customer to the shop so the total attention of the shopkeeper is not possible. Even you are picking up from the mall or showroom its very cohesive to roam the entire mall.

In summer I become more tricky to go for shopping but we females can not survive without shopping. So switch to online shopping. It is a real fun. Now no need to take extra time or to leave the office for purchasing. Now shopping is converted to browsing. YES!!! Just click on **efello.com.my** and buy all Indian ethnic wear online. Online shopping provides you the pleasure of buying all exclusive wear an exciting offer. You can browse as much as time you can.

## DESIGNER COLLECTIONS AT YOUR DOOR STEP

Best part of this online shop is it is available 24 hours 7 days in a week. Ladies with your all daily work you can shop at home. These **online shops** are not only easy to buy they are stunning and attractive too. This shopping will also provide you home delivery and return facility if problem in fitting. It's not that you have to stick with the design which are available only you can carry your vogue too by giving you choice. All types of female wear are available online.

You know what you also not need to plead your husband to come along for purchasing and after that no tiredness also. Here you have also facility to pay according to your mood. If you want to pay online you can pay. If you want to give cash on delivery you can pay on cash mode too.

Feel free to go for [online shopping](#) and explore these new E-Shops. This is really time saving, economic and easy.

### Lehenga All Time Ethnic Wear

A **lehenga** choli is one amongst the foremost widespread ethnic clothes created and exported by Bharat. In terms of grace and sweetness, Associate in Nursing Indian lehenga is at par with the Indian sari. This is often most likely one amongst the explanations why several would-be-brides square measure, choosing a bridal lehenga rather than the unaltered sari.

If copied back in history of ancient clothes, this outfit was basically a royal dress very elaborate and fine creations by the wives and daughters of the mighty, tasteful Mughal emperors. Therefore, several brides-to-be acquire this sought for their wedding that's beyond any doubt the most important day within the bride's life.

**BEST PRICE & BEST DEALS**

A lehenga consists of 3 parts, a folded skirt, a well-fitted shirt and a scarf to hide the chest region of the user. The dress is taken into account to own originated in Rajasthan and Gujarat, however the dress was amended and glamourized when Mughals started getting regions of the Indian subcontinent. This dress, then became a second success because it was elegant, royal, female and trendy in each means. Since then the female and horny lehenga has had several modifications with designer reinventing and modifying the dupatta, choli and lehenga each year.\

## **Most popular varieties of lehengas:**

- **Straight Cut:** A straight cut lehenga suits most girls. This vogue, particularly appearance, elegant for ladies with large hips. This cut helps produce Associate in Nursing unreal slimming impact.
- **Panelled:** This type of lehenga provides additional flare to the dress and therefore may be regenerated into an additional vibrant, designer outfit. The designers can even produce completely different embroideries or color combos on every panel and sew all of them along, that once more can lead to a masterpiece.
- **Fishtail or imaginary being skirts:** This vogue consists of a fitted skirt on the thigh space that flares at the lowest. This vogue is additionally terribly trendy and makes the woman look astonishingly beautiful.
- **Circular skirt:** This type of lehenga is the most likely the oldest variety of the garment that includes a ton of pleats all round the area. This cut most closely fits ladies with Associate in Nursing athletic body. These pleats give volume and beauty to the skirt portion of the garment.
